

SANITATION FOR AFRICA  
Improving the Customer Experience

# ID Tags for Portable & Mobile Sanitation Products

Stainless steel identification tags  
riveted to your assets

Keep track of your fleet with your company name and  
identification number on each unit.

*With the high cost of portable sanitation you need to keep your **asset register up to date**.*

*It's best practice to make sure your fleet can be **identified and tracked** from purchase.*

***In the case of theft** this will assist in claiming your toilets and equipment back.*

## What's included:

1. Stainless Steel 45mm Tag pre drilled.
2. Company Name and product ID number engraved on the tag.
3. The correct size aluminum rivet.

**R145.00 excl. VAT**
